BCSMC's mandate is to represent, benefit and promote BC's wild salmon industry through marketing programs that share the quality, availability and value of wild BC salmon with international and domestic markets.

It has been another great year of building a strong Council that delivers strategic marketing programs to improve the presence and reputation of wild BC salmon throughout the world.

**We thank fishermen and first buyers for your support and feedback and invite you to join us for our Annual General Meeting.**

Come meet your Council and staff, and hear updates from the past year as well as the outlook for the year ahead. We will also hold the Council election and provide an opportunity for questions and input.

New nominations for Council will be accepted until 3:00pm on Friday, May 22<sup>nd</sup>. If you wish to nominate yourself or someone else, please contact Leslie Budden (see above) for a nomination package.
